

about the artist . . .

Jonn Einerssen

*R*emarkably, Einerssen, born in 1949, did not begin painting or even sketching until he was 21. Both privately and self-taught, he quickly became a flourishing, self-sustaining artist, capturing the attention of private and corporate collectors. He conducts workshops throughout the year, passing on his disciplined approach to aspiring artists while demonstrating masterful style and technique.

Einerssen has been juried into many gallery shows, most importantly the Fine Art Show at the Calgary Stampede for the past 25 years.

Einerssen has done numerous expeditions with his peers, and painted on location in Haida Gwai, Nova Scotia, Great Bear Rainforest, and other wondrous locations. Paintings from his expeditions have been shown in galleries throughout North America.

Mr. Einerssen is a founding member of the Western Artists Group. This group of artists tour extensively in North America, and have showcased in galleries in New York, Atlanta, Los Angeles and other large cities in the United States and Canada. He has won numerous awards for "Best of Show".

Einerssen's paintings are distinguished by a force and beauty which reflects the artist's powerful vision and a philosophical, spiritual approach to his art. "Skies, the prairies and the ocean all provide an unlimited scope for communicating what I feel... In these subjects, the power of nature rules."

"I see these natural elements as abstracts which cannot be controlled by man. Man can simply become a participant, adapting to their seasons and rhythms."
